

BSc (Hons) Health and Social Science

With Foundation Year

-  **Course Duration:** 4 years
-  **Course Type:** Full-time
-  **Course Fee:** £9,250 per year
-  **Awarding Body:** Buckinghamshire New University

OVERVIEW

The BSc (Hons) Health & Social Science degree is aimed at students who have a broad interest in health and the social sciences but who do not wish to specialise in a single area. The degree is underpinned by a core programme in health, wellbeing, a community sport focus, sociology and social policy. A feature of this degree is the second year work related learning module in which students will develop their employability skills. This degree enables students to explore health & social sciences whilst also gaining valuable insight into the world of work, leadership and team working.

Modules Studied

At EO we welcome applicants from a wide range of backgrounds. If you have recently been in education or are returning after a long time, we would be more than happy to consider your application on an individual basis.

Application based on previous qualifications:

If you are applying based on your previous qualifications, you will usually have achieved a minimum of 90 credits from a Level 3 qualification such as A Levels or BTECs

Mature learners 21+:

If you are applying as a mature learner (aged 21+) and do not have the above qualifications, you can apply via our assessment based entry and we will consider your prior experiences (work, voluntary, life and other experiences) that are relevant to the course.

You will be required to complete the following:

1. Provide a Personal Statement
2. English Language Test (with a minimum 60% score, equivalent to IELTS 5.5)
3. Math's Test (Score 50%)
4. Complete a SAPE Assessment (Screening for Accreditation of Prior Experience)
5. Applicants will also be invited to attend an Interview
